MEMORANDUM

SUBJECT: Executive Council Meeting on 21 October 1975

Mr. Proctor chaired. Substituting were Messrs.  
[redacted] and Devlin.

1. Mr. Proctor reported briefly on his recent trip to the  
[redacted]

2. Mr. Proctor announced that Messrs. [redacted]  
[redacted] of FBIS had won special achievement awards (\$800 each)  
[redacted]

3. The Combined Federal Campaign has begun. Mr. Proctor said that there should be no pressure applied if individuals do not wish to contribute, either as a matter of principle or for financial reasons. Those who do plan to contribute, however, should be urged to make their pledges or contributions as soon as possible. With respect to the two Agency funds, emphasis should be on a high percentage of participation, with the amount a secondary consideration.

4. Mr. Walsh commented that the IC Staff has become the focal point for several areas of investigation that involve DDI components and has been dealing directly with the DDI elements involved. There is no problem with this practice so long as it consists of informal consultation, but any papers provided to the IC Staff for passage to either Committee should be routed through Mr. Walsh or [redacted]

5. Mr. Proctor said that the Agency is considering whether to inform the investigating or oversight committees of the existence of the [redacted] There is some concern that the substance of the Report will appear in the press and that the Com-
